

## Catch The Rain

I take an oath to conserve water and to use water wisely.

I pledge to consume water judiciously and not waste even a drop of water.

I will conserve every drop of water and will take part in '**Jal Shakti Abhiyan: Catch The Rain**' campaign whole heartily.

I will treat water as a very precious resource.

I pledge to motivate my family, friends and neighbours to use water wisely, efficiently and not waste it.

It is our planet and only we can save it and does save our future.

We together will make-
